#### ADDITIONAL INFORMATION

##### Personal Skills

I am resourceful; dependable, friendly, honest, organized and creative. Able to make decisions, work under stress, motivate others, and solve problems. Hardworking enthusiastic worker whether it is physical labor or a people oriented position

A self-starter, quick learner and dedicated to achieving high-quality results and have been told that I am the man with the plan on many occasions. I guess you could say that I am a "jack of all trades" that loves to help people for the greater good.
