SUMMARY

My Goal is to be working in an environment that challenges me; and makes me use my abilities as a leader and an independent person to the fullest of my ability. I can handle a high stress situation and deal with them in a matter that is not rushed; nor will I ever panic or make rash decisions due to a stressful and high energy situation. Having previously worked as a cook I learned how to handle many different things at once and still be calm about it. At the job where I was a cook I also handled the money, and dealt with customer service on the fly because I am very well rounded and can be good at any position where I am needed. I am flexible and I'm able to cross train and train others I have no problems working long hours, day or night, week and weekend.

EXPERIENCE

06/07/12-Present *Crew, Chipotle*

- I started as a cook but I learned how to do everything else there, from handling money as the cashier, to customer service on the phone to prepping the food, testing the food and serving the food to customers.

12/01/11-4/30/12 *Assistant Cook, Panda Express*

- It was my 1st job I worked at ever, I was shadowing the other cooks and working with them learning how to take orders and work in a kitchen which I enjoyed doing. My reason for leaving was that it was just a class for school for a trimester while I was in high school and they couldn't hire me full time because I was not 18 yet
