

Lisa Deer

Dedicated Worker

Evansville, IN

deer850@yahoo.com - 8126255015 812-568-3737

I have years of experience in various positions in factory and warehouse jobs. I have operated forklifts and pallet jacks. I am also not afraid of a challenge or learning something new.

Authorized to work in the US for any employer

WORK EXPERIENCE

Machine Operator/ Forklift Operator/ Material Handler

RIX Products - Evansville, IN - March 2001 to April 2015

Responsibilities

Mixed color into virgin material for proper colors needed. I ran injection molding machines and did adjustments on them as needed for good parts. I did quality control, and packaging of good parts into boxes. I cleaned loaders and grinders. I loaded and unloaded trucks as needed. I did various other jobs throughout the factory. Kept track of parts produced and also parts that were shipped out. I fixed machines that had parts crushed in them. I also did some custodial jobs in the factory as well.

Machine Operator/Forklift Operator

Kansas Tool - Independence, MO - February 1997 to April 1999

Responsibilities

Loading and unloading of materials and finished products on or off of trucks. Maintenance and upkeep of injection molding machines. Forklift operator. Relief operator.

Skills Used

I operated forklift with ease. I was always willing to jump in and help other employees when they needed help.

EDUCATION

Diploma in General studies

FJ Reitz High School - Evansville, IN

1979 to 1983

SKILLS

Forklift and Pallet Jack
