Work Experience

Warehouse Material Handler

TENNANT COMPANY - Minneapolis, MN

2016 to 2020

- Working in a fast paced environment, effectively moved, stored, and handled both hazardous and non-hazardous materials, identified, transported, packed, removed, and disposed of materials.
- Knowledgeably oversaw the process of moving and distributing materials while following safety procedures/regulations, including wearing protective gear and disposing materials required by law.

Forklift Operator

LEGENDARY BAKING - Chaska, MN

2015 to 2016

Following company procedures, located and pulled orders from freezer storage, provided necessary supplies to production floor as needed, then staged finished product for transport to all customers.

- Following all established safety and security procedures, monitored and followed food safety practices as well as inspected warehouse equipment daily for safety before each and every use.

Machine Operator

KELLY SERVICES - Edina, MN

2014 to 2015

Working in a team environment, set up machines to be ready for production, maintained machines, read and interpreted job orders, and diagrams/blueprints to select position and secure machinery.

Forklift Operator/Production

J.B. O'MEARA - Burnsville, MN

2003 to 2014

Accurately performed annual inventory counts and restocking, experienced with heavy cleaning machines/floor sweeper conducted twice weekly and flexible to fill in any position as needed.

- Following OSHA regulations for safe/clean environment, remained accident-free during employment.

Education

License

Dunwoody College of Technology - Minneapolis, MN

High School Diploma

Humboldt High School - Saint Paul, MN
