RECEIVE YOUR PAY WITHOUT DELAY

In order for you to continue to receive your pay each week without delay we are encouraging all employees to use direct deposit or Global Cash Card. **It is becoming more and more difficult for employees to cash checks without fees or delay due to increased security at all banks. Also, if your check is lost or stolen you will have to wait 3 days for another check.**

GLOBAL CASH CARD

If you don't have a bank account, computer access or don't want to use direct deposit you can use **Global Cash Card** which works like a Visa.

- There are **NO FEES** for the card for your first transaction as a cash withdrawal at an ATM or if you use it like a credit card (not debit) to make individual signature purchases.
- **If you don't have access to a computer you can receive TEXT notifications for your pay check amount on pay day as well as what the current balance is. You can also receive low balance notifications set to the dollar amount that you determine on the attached form.**
- You may call Customer Service 24 hours a day, 7 days a week, 365 days a year at 888-220-4477 for balance inquiries or other questions. (Para Español, apriete dos)
- You can pay bills with the GCC (by phone/internet/in person). You can also set up your online account to make automatic payments.

Please complete the attached form and turn it in to your manager as soon as possible indicating whether you would like direct deposit or Global Cash Card. Please make sure you include an email address.

INJURY MANAGEMENT PROGRAM

Injured Worker's Responsibilities

As your employer, we are concerned about your full recovery. Reasonable and necessary medical care will be paid for any compensable work injury. Medically authorized time away from work will be reimbursed in accordance with the **State of Minnesota workers' compensation laws**. Wherever possible light duty restrictions imposed as a result of your injury will be accommodated.

RESPONSIBILITIES OF THE INJURED WORKER:

Minnesota Rule Sec. 5221.0430, Subp. 1 requires that you choose one primary health care provider. Subpart 2 places limitations on your right to change primary health care providers. Discuss with your employer any change in health care provider.

Attend all scheduled appointments. While on physical limitations, visits should be a minimum of once every two weeks. Failure to have current medical support for disability may result in termination of benefits. Schedule your next appointment immediately after your doctor visit, before you leave the clinic if possible.

Obtain a Report of Workability from your physician at every appointment, a minimum of once every two weeks. M.R. 5221.0420 requires that your physician cooperate with return to work planning and that you be released to return to work at the earliest appropriate time.

Immediately following your appointment, provide a copy of the report to the designated employer representative. You should deliver this in person so that changes in work restrictions may be addressed and any questions answered.

Follow all physical restrictions at home and at work.

Report to work and perform physically suitable tasks as assigned. These may or may not be in your regular department. The work may or may not be on your usual shift.

Maintain regular, weekly, communication with your employer if you are unable to return to work. Contact your employer a minimum of after every visit with your primary health care provider. Keep the claims representative advised of your status.

Notify your employer immediately of any new injuries or conditions that impact your physical condition.

If it is necessary to miss scheduled work due to a work injury, you must be seen by your primary health care provider the same day in order to receive compensation for the time away from work. The physician must complete a Report of Workability.

I have read my responsibilities and agree to abide by these guidelines.

Important/Importante

LOST OR STOLEN PAYCHECKS

If a paycheck is **lost** (*missing, misplaced, destroyed, lost in the mail, etc.*), you must notify your staffing recruiter that the check cannot be found. If it can be verified that the check has not been cashed, ESSG will stop payment on the check and re-issue the check to you, deducting a fee of between \$25-\$35.

If your paycheck was **stolen**, you must first file a police report before we can re-issue the check. Once you have done so, you must provide a copy of the policy report to your staffing recruiter that the check was stolen. If the check has not been cashed and if the loss of the check was not your fault, ESSG will issue a new check and no fee will be deducted.

CHEQUES DE PAGO PERDIDOS O ROBADOS

Si un cheque de pago se pierde (que falta, fuera de lugar, destruido, perdido en el correo, etc), usted debe notificar a su reclutador de personal que el cheque no se puede encontrar. Si se puede verificar que el cheque no ha sido cobrado, ESSG se detendrá el cheque de pago y reemitir el cheque a usted, descontando un cargo de entre \$ 25 - \$ 35.

Si su cheque de pago fue robado, primero debe denunciar el robo a la policía antes de que podamos volver a emitir el cheque. Una vez hecho esto, usted debe proporcionar una copia de la denuncia a su reclutador de personal que el cheque fue robado. Si el cheque no ha sido cobrado y si la pérdida del cheque no fue su culpa, ESSG emitirá un nuevo cheque y no hay cuota se deducirá.

DRUG AND ALCOHOL TESTING POLICY

I. PURPOSE

Alcohol and drug abuse adversely affects job performance, the kind of work an employee performs and an employee's opportunities for successful employment. It is the intent of this document to provide employees with ESSG's [hereafter "the Company"] policy regarding the use of drugs and alcohol while at work. The Company does not intend to intrude into the private lives of its employees, but strongly believes that a drug-free workplace is in the best interest of employees and non-employees alike.

II. SCOPE

This policy applies to all applicants for employment and to all employees including contract or temporary employees. The policy is applicable at Company facilities or whenever Company employees are performing company business.

III. DISCLAIMER

Employment at the Company is at-will. This policy is not a unilateral employment contract and should not be interpreted as creating a unilateral employment contract.

IV. PROHIBITIONS

- A. No employee shall report to work under the influence of alcohol, any controlled substances, or any other drugs or medications that may affect the employee's alertness, coordination, reaction, response, judgment, decision-making, or safety.
- B. No employee shall operate, use, or drive any equipment, machinery, or vehicle of the Company or any client of Company while under the influence of alcohol, any controlled substances, or any other drugs or medications that may adversely affect the employee's ability to operate such equipment, machinery, or vehicle. Employees are under an affirmative duty to immediately notify their supervisor if they are not in an appropriate mental or physical condition to operate, use, or drive any equipment machinery, or vehicle or otherwise safely perform their job duties.
- C. No employee shall unlawfully manufacture, distribute, dispense, possess, transfer, or use a controlled substance in the workplace or wherever the Company's work is being performed.
- D. Engaging in off-duty sale, purchase, transfer, use or possession of illegal drugs or controlled substances may have a negative effect on an employee's ability to perform his/her work for the Company. In such circumstances, the employee is subject to discipline.
- E. When an employee is taking medically authorized drugs or other substances that may alter job performance, the employee is under an affirmative duty to notify their supervisor of the temporary inability to perform his or her job duties.
- F. The Company shall notify the appropriate law enforcement agency, licensing boards, and other relevant authorities when it has reasonable suspicion to believe that an employee may have illegal drugs in his or her possession at work or on company premises.

G. Employees shall not consume alcoholic beverages during lunch periods, dinner periods, or breaks when returning immediately thereafter to perform work on behalf of the Company. In situations where the employee conducts the Company's business after the intake of alcohol, the employee shall be subject to discipline up to and including discharge.

V. ALCOHOL AND DRUG TESTING

As part of the Company's commitment to an alcohol and drug-free workplace, the Company reserves the right to require that applicants and employees submit to drug or alcohol testing in accordance with the provisions of applicable law. This policy represents the notice required under applicable law and a copy will be provided to all applicants and employees who are requested to undergo testing. In the event of any conflict between this policy and applicable law in effect at the time of the test, the law will control.

A. Who May be Subject to Testing.

1. Job Applicants. The Company may require that all applicants for a particular position be tested for drugs or alcohol after receiving a conditional offer of employment. If the applicant tests positive for drugs or alcohol, the conditional offer may be withdrawn.
2. Routine Physical Examination Testing. The Company may require employees to undergo a drug or alcohol test once a year as part of a routine physical examination. Affected employees will be given two weeks written notice that they will be tested for drugs or alcohol as part of a routine physical.
3. Random Testing. The Company may require employees in safety-sensitive positions to undergo testing on a random selection basis. Once the random selection has been made, the Company will not waive the selection of any employees identified through the random process.
4. Reasonable Suspicion Testing. The Company may require an employee to undergo drug or alcohol testing if the Company reasonably suspects that the employee:
 - a. is under the influence of drugs or alcohol;
 - b. has violated the Company's written work rules prohibiting drug and alcohol use;
 - c. has sustained or caused another employee to sustain personal injury; or
 - d. has caused a work-related accident or was operating or helping to operate machinery, equipment or vehicles involved in a work-related accident.
5. Treatment Program Testing. The Company may require an employee who has been referred for chemical dependency treatment or evaluation or is participating in a treatment program under an employee benefit plan to undergo drug or alcohol testing on a random basis and without advance notice during the evaluation or treatment period and for up to two years following the completion of any treatment program.

B. Conducting the Testing.

1. Consent. All employees required to undergo testing will be required to complete and sign the employee consent form attached as Appendix A.

2. Refusal to Participate. An employee or job applicant has the right to refuse testing. However, a refusal of testing will be treated as a failure to comply with Company policy and may result in withdrawal of a job offer or disciplinary action up to and including termination of employment.

3. The Laboratory. The Company will use a laboratory certified by the National Institute on Drug Abuse (NIDA) or its successor, the College of American Pathologists (CAP), or the New York State Department of Health or other licensing body recognized by applicable law to perform all drug and alcohol tests.

4. Test Results.

The laboratory will conduct both an initial test and a confirmatory test if the initial test is positive. A negative result on either the initial or confirmatory test will be deemed a negative test result (i.e. the employee passed the test). A positive result on both the initial and confirmatory test will be deemed a positive test result (i.e. the employee failed the test.)

a. Negative Test Result. An employee or applicant who tests negative for drugs or alcohol will be given written notice that they passed the test within three working days of the Company receiving the test results from the testing laboratory.

b. Positive Test Result. An employee or applicant who tests positive for drugs or alcohol will be given written notice that they have failed the test within three working days of the Company receiving the test results from the testing laboratory. The employee or applicant will then be given the opportunity to provide any information to explain the positive result, including any over-the-counter or prescription medications the employee or applicant may have taken. An employee or applicant who wishes to submit any explanatory information must do so within three working days after being notified of the positive test result.

An employee or applicant who has a positive test result may also request a retest of the original sample by the same or different certified laboratory at his or her own expense. An employee or applicant who wishes to conduct a retest must notify the Company in writing of their intention to conduct such a retest within five working days after being notified of the positive test result. If the results of the retest are negative, the test will be considered a negative test result.

C. Right to Test Result. An employee or job applicant has the right to request and receive from the Company a copy of the test result report on any drug or alcohol test.

C. Costs. All costs related to alcohol and drug testing will be paid by the Company, with the exception of any retests requested by the employee or applicant following a positive test result.

D. Disciplinary Action in Response to a Positive Test Result.

1. Interim Discipline and Action: The Company reserves the right to temporarily suspend an employee or transfer the employee to another position at the same rate of pay pending the outcome of any drug or alcohol test. An employee who is suspended without pay will be reinstated with back pay if the test or any requested retest is negative.

2. Applicants. The Company reserves the right to withdraw the conditional job offer of any job applicant with a positive test result, without the opportunity to complete evaluation or treatment.

3. Employees - First Positive Test Result - Termination: The Company will not discharge an employee for the first positive test result. Instead the employee will be given the opportunity to participate in an appropriate drug or alcohol counseling or rehabilitation program as determined by a certified chemical use counselor or physician trained in the diagnosis and treatment of chemical dependency chosen by the Company. The employee will be responsible for paying all costs associated with any evaluation and subsequent treatment themselves or pursuant to coverage under an employee benefit plan. An employee who refuses or fails to participate in, cooperate with, or complete the evaluation or recommended treatment may be terminated. An employee who successfully completes treatment may be subject to random follow-up testing for a period of up to two years in accordance with section V.A.5. of this policy.

4. Employees - First Positive Test Result—Discipline: The Company reserves the right to take any other disciplinary action short of discharge it deems warranted following a first positive test result.

5. Employees-Subsequent Positive Test Result: An employee who has more than one positive test result may be terminated immediately following any second or subsequent positive test result without referral to or the opportunity to complete additional chemical dependency counseling or rehabilitation.

E. Privacy of Test Results.

1. Test results and other information acquired as a result of the testing program are private and confidential information and will not be disclosed by the Company or the testing laboratory to another employee or to third party individuals, government agencies, or private organizations without written consent of the employee or applicant being tested.

2. Evidence of a positive test result, however, may be used in an arbitration proceeding pursuant to a collective bargaining agreement, an administrative hearing, or a judicial proceeding, provided the information is relevant to the hearing or proceeding. Such evidence may also be disclosed to any federal agency or other unit of the United States government as required under federal law, regulation, or order. Evidence of a positive test result may also be disclosed to a substance abuse treatment facility for the purpose of evaluation or treatment.

3. The Company will provide an employee with access to information in the employee's file relating to positive test result reports and other information acquired in the testing process as well as conclusions drawn from or actions taken based upon such information.
