

Michael David Lopez

Objective

My career goal would be the management of personal and operations of the facility in a workplace that honors a set of core values.

Experience

February 2009/Present Colorado Army National Guard Ft. Carson, CO

- Member of an infantry line company my responsibilities were to function as a member of a team in a combat environment. I earned Soldier of the year in 2011 out of 500 other Soldiers.
- Supply specialist for the platoon level. Earned the rank of Specialist in less than two years of service.
- Volunteered as the States of Colorado's quick response force for natural disasters in the area. In June 2012 the state sent me to the Colorado Wildland Firefighting course and I earned my Firefighting 2 certification.

June 2010/Present HSS Denver, CO

- Management of other patrol officers in response of burglar and other distress alarms. Two years of excellent service awards in customer service.
- Document creation for work specific projects.
- Reasonable for the training of new employees. Trained personal in operating procedures and threat response.

October 2006 to FedEx Office Denver, CO
December 2008

- Customer service representative at a satellite store for FedEx. Achieved high marks in management assignment of employees.
- Member of the sales team to promote products to customers. In 2008 the stores sale team earned the highest amount of sales.
- Created documents using Microsoft Word/Excel/PowerPoint and developed customers projects using Adobe Illustrator.

Education

September 2004 to CEC Middle College of Denver Denver, CO
June 2007

- Studied business management and graphic design.
