EMAIL- [ladorno33@gmail.com](mailto:ladorno33@gmail.com)

Accomplished and energetic CNC Machine Set up/ Operator with a solid history of achievement in milling. Motivated leader with strong organizational and prioritization abilities. Areas of expertise include, numerical control, CNC machining and Setting Up. Also bilingual who builds and leads friendly, efficient service team.

## EXPERIENCE

**03/15/2021 – PRESENT**

**SET UP/ OPERATOR, DYNAMASTERS INC.**

- Install holding fixtures, cams, gears, and stops to control stock and tool movements, using hand tools or power tools.
- Study blue prints, layout or charts, and job orders for information on specification and tooling instructions, and to determined material requirements and operation sequences.
- Adjust machine control and change tool settings in order to keep dimensions within specified tolerances.
- Start machines and observed operation to ensure that specification are met.

**4/18/2016 – 03/15/2021**

**CNC MACHINE OPERATOR III, PGM**

- Measure, examine, or test completed units to check for defects and ensure conformance to specification, using precision instruments such as micrometers.
- Maintain machine tools in proper operational condition.
- Study sample parts, blue prints, drawings or engineering information to determined methods or sequences of operation needed to fabricate products.
- Diagnose machine tools malfunction to determined need for adjustments or repair.
- Evaluate machining procedures and recommend changed or modification for improve efficiency or adaptability.

**06/14/2010 – 4/18/2016**

**SET UP/ OPERATOR, DYNAMASTERS INC.**

- Install holding fixtures, cams, gears, and stops to control stock and tool movements, using hand tools or power tools.
- Study blue prints, layout or charts, and job orders for information on specification and tooling instructions, and to determined material requirements and operation sequences.
- Adjust machine control and change tool settings in order to keep dimensions within specified tolerances.
- Start machines and observed operation to ensure that specification are met

## EDUCATION

2010

**HIGH SCHOOL DIPLOMA**, JAIME A. COLLAZO DEL RIO

Honor roll student 4 years in a row, with a 3.8 GPA

## SKILLS

- Set Up
- Blue Print Reading
- Numerical control
- Machine Operator
- Troubleshooting
