Luke Carter

Experience

Volunteer Work 2015-Present

Attendant security for multiple annual events with attendance between 1,000-8,000. Received special training on how to deal with disturbances in a calm manner and how to relocate the issue in an efficient yet subtle manner.

Laborer, BC Construction, Burnsville, MN – 02/01/2019-Present

Perform manual labor such as lifting and carrying items upwards of 80+ pounds. Learning and helping with skilled work such as building decks, fences, stairs, bathroom remodels, etc.

Technician, Avid Fleet Maintenance, Savage, MN – 11/14/2018-01/28/2019

Performed multiple types of tasks working on all vehicles from fleet delivery trucks both gas and diesel to small cars. Repairs from oil changes to brake and engine work. Welding - doing mainly MIG welding. Building and designing anything from a new rear bumper to reinforcing a cracked frame. Drove large fleet vehicles daily - picking up and returning them to warehouses. Regularly operated equipment such as trucks and forklifts.

Lube Technician, ProTech Automotive, Rosemount, MN – 10/06/2017-08/10/2018

Performed oil changes then learned to be a tire technician - replacing tires,

balancing tires and performing 4-wheel alignments. Within 4 months, trained to become a lube manager. Worked under fast paced and pressured situations, managing 4-5 people for 9 hour days. Learned to work well as a team member as well as a leader.

Diesel Tech, Hydraulic Tool Solution, Marina, CA – 08/2016-04/2017

Worked on diesel engines and hydraulic rams on semi trucks and replaced broken seals on hydraulic rams ranging from 2 feet in length to 20 feet in length. Operated and drove semi trucks, forklifts, and skid loaders.
