#readytowork

Authorized to work in the US for any employer

Work Experience

CNC Laser Operator

MORryde International - Elkhart, IN

July 2020 to Present

Operating a fiber Trumpf laser, clean up parts, tape shots, changing the lens, and entering paper work.

Order picker

Coca Cola Bottling Company consolidated. - South Bend, IN

March 2020 to July 2020

Pulled orders and built skids based off what the customer wanted.

Shift Leader

L & W Engineering - Middlebury, IN

September 2015 to February 2020

Responsibilities

Operating lasers, minor programming on boost, changing nozzles and lens. Controlling production and making sure that the employees were doing their job.

Set up press brake machines (Tru 5031, Tru 7036, Accurpress, Piranha, and Truma). Program Accurpress and Piranha). Fix minor programming issues in the Tru and Truma press brake machines. Read blueprints and ensure that all parts are running to specification. Set up punching machines (Chicago, Cincinnati, and Roselle). Cut steel down to size based on blueprint specification. Monitor the schedule, tracking parts that have been cut on the laser or shear machine, lining jobs up based on start date for the job. Fixing minor issues with data put into the Epicor system incorrectly. Inspecting the quality of parts ran by other team members. Managing a small team sporadically through out the year.

Accomplishments

Learned to operate a trubend, with full understanding of how to change programs, make minor adjustments, and switch out the machine. Learned to operate and make adjustments to a piranha and accurpress.

Security Guard

Adecco - Elkhart, IN

May 2015 to July 2015

Responsibilities

Check in truckers, have them sign the paper work for their shipment. Track trailers and the product that's on the trailers and when the trailers entered or exited the premises. Use SAP to PGI shipments when

they leave the premises and use the software to inform the supervisor of when a shipment left or if it is still in the yard.

Accomplishments

Learned how to use SAP.

Security Guard

HSS - Denver, CO

February 2011 to March 2015

Responsibilities

Assist medical staff with at risk patients. These are patients are suicidal, homicidal, combative, or under the influence. Responsibilities include walking patients to the bathroom. Keeping patients in their room and making sure they don't leave unless they are discharged. Standing bed side when ever medical staff enter the room.

Meat Clerk

Sprouts Farmers Markets - Englewood, CO

May 2014 to December 2014

Responsibilities

Setting and preparing all the raw meat gourmet items in the service case. In the morning switching out all of the pans and creating a list of things that need to be able in order to fill the case and ground meat products for the counter. During the day prioritize to have all gourmet items based on what is most important. Includes having the service counter fully stocked by 7, ground meats done by 10, and then the rest of the items done before 2. Items made included, various marinated chicken, stuffed chicken breast, gourmet burgers, ground chicken and pork, meat loaf and meat balls, and hand made sausage.

Meat Clerk

King Soopers - Denver, CO

June 2009 to June 2010

Responsibilities

Stocking the pre-packaged meat counter, check for products that are close dated. Filling the fresh meat counter, writing meat orders, marking down close dated product, cutting and wrapping fish, stocking the frozen meat section of the freezer, maintaining the grind log and the temperature log. Cleaning the walk in cooler and the cutting room, breaking down the load when it comes into the store.
