My goal is to implement my professionalism to strengthen and expand the growth of your Organization. I am positive that with the information provided and a brief discussion of the detailed requirements you will find me to be the perfect candidate for this opportunity.

➤ *Best Western Hotel;* Wenatchee, WA.
Night Auditor 1993 - 1996.

Software: • Microsoft Word • Excell
• Quickbooks • Peachtree
• Paychex • 88Flow
• AdvisorFi

➤ *Able Body / Ready Labor;* Denver CO.
General Laborer 1999 - 2013 Clearwater FL.
St. Petersburg FL.
Wenatchee WA.

I integrated professional software to calculate and balance out General Ledgers (Accounts Payable & Accounts Receivable). I provided a continental breakfast for all of the clients and customers to help themselves to each day. While balancing out the books I was also checking in customers throughout the evening from 11:00pm. - 7:00am in the morning.

Maintained the cleanliness of construction - site infrastructures such as, Hospitals, Office Buildings, and a select few Residential Homes. Served as an apprentice for all phases of construction, from the foundation to the roof. Essentially, assisted in various rebuilding projects Engineers were devoted to at the time.

I set forms, tied rebar, and prepared foundations to be poured. Wood and Metal stud framing 16 on center. Drywall mud and taping. 10+ yrs. Masonry experience, stone, granite, tile, and cinderblock. Ceramic rooftops along with the traditional tar & shingle. Familiar with most field saws; skillsaw, reciprocal saw, table saw, e.t.c. I am fully capable of handling most all field equipment and/or tools with utmost proficiency.

➤ *Crunch Pak;* 300 Sunset Highway, Cashmere WA.
Forklift Operator 2014

Boxing, taping, and palletizing products for the shipping department. Obtained supplies for three different dept. heads. Assorted pallets of product in an orderly fashion for storage purposes. Maintained a clean, safe, and hazard free work environment for fellow employees to work harmoniously at getting general tasks around the warehouse accomplished securely and effectively.

I am able to operate most stand up, remote control, and/or sitting position lift trucks and cranes. I have 10+ yrs. Experience operating forklifts along with other heavy equipment such as; Front end loaders, Rollers, Bobcats, Backhoes (Hoe-ram, Hoe-pack). Even spent some time in a 990D excavator.
