## WORK EXPERIENCE

### **Production Machine Operator**

Pepsi Beverages - Denver, CO - 2011 to Present

#### Responsibilities

I work on the production machines. From blow molder machines, labelers, fillers, packers and variety packs. I also do breaks and lunches for the crew. I am also assistant with the mechanics when they need help with a machine I have knowledge in I get called to help fix the machine.

#### Accomplishments

I was able to learn all the machines in 1 year and was able to move from night shift to day shift with the experience crew. Also got the confidence of management to fix machines with out supervision.

#### Skills Used

I am quick learner. I exceed to push as much product out. Help out the team in anyway I can to succeed and give the team the upper hand in getting the best results. I am a team player which helps us produce more product out with less downtime. I am also involved in lean 6 sigma

### **Shipping loader/TC**

Pinnacle lighting - Denver, CO - 2009 to 2011

#### Responsibilities

I was the shipping loader. All the loads that were made I would figure out the loads to load them to where Fedex, Ups, ect.. Get the best loads without much movement. Also I was TC of the shipping crew. I was responsible of making sure the crew pushed out all the jobs out on time and well packaged.

#### Accomplishments

I started just packaging worked my way up to loader and eventually to TC. I was quick smart in getting the loads out also I was able to do claims for damaged jobs that were shipped out.

#### Skills Used

my leadership was a skill I was able to use to help the crew have the best results and also knowing Spanish helped me out to translate to customers or other employees.

### **Production Machine Operator**

Branfort inc - Blanca, CO - 2007 to 2009

#### Responsibilities

Operate a machine where we packed the product and i was responsible for cutting of the when almost done and also in charge of your line depended what machine you were on. Also make sure co workers got there breaks and lunches.

#### Accomplishments

i was able to learn all the machines in a short amount of time and Able to fix all the machines before maintenance even got there.

#### Skills Used

skills used in this particular job was i am very hands on person and I have the knowledge and skills to run the machines and fix the machines and provide more efficient work flow.

### **Bakery assistant manager**

City Market - Alamosa, CO - 2007 to 2009

#### Responsibilities

i would bake the donuts every morning and design cakes. Also customer orders of cakes.

#### Accomplishments

I was able to become assistant manager.

#### Skills Used

in this area there was a lot Hispanic community and since I am Hispanic myself I know Spanish very well and was able to help a lot of the customers that were Spanish speaking only.

### **Machine mechanic**

Three S Farms - Blanca, CO - 2005 to 2007

#### Responsibilities

i would fix the farm machines when they broke or needed maintenance.

#### Accomplishments

I was able to learn the machines at a very good knowledge that I could fix them really quick.

#### Skills Used

Being a hands on person gave the skills to fix the equipment quicker than a lot of other co workers and learned the equipment very well
