Work Experience

Dock Worker/Forklift Operator/Yard Jockey

Cross Country Freight Solutions - Kansas City, KS

2020 to Present

Currently I work as a Part time Dock Worker at Cross Country Freight Solutions, -in the mornings-, my duties are load and unload freight on and of trailers (Line haul and P&D) operating a sit-down forklift.

Dock Worker

Estes Express Lines - Kansas City, KS

January 2018 to December 2019

I used to load and unload trailers with freight using a sit-down forklift and/or pallet jacks. I was also a Yard Hostler trainee.

Dock Worker

XPO Logistics - Kansas City, KS

September 2014 to December 2018

My main responsibility was to load and unload freight of trailers (Line haul and P&D) operating a sit-down forklift. During this process I utilized hand held inventory computers, reading specific orders, and re-weighing pallets protecting the company's assets and profits.

Mobile Packing Technician/Delivery Driver

Blood Collection - Kansas City, MO

February 2013 to June 2014

1 Year and 6 Months of Loading and Unloading box trucks Also, performing the duties of parking and backing up trucks to docks. Packing totes with medical supplies and performing calibration and inventories of medical equipment used for Blood Collection, I also performed Delivery Driver duties transporting medical supplies, equipment and refreshments in straight trucks, sprinters and sedan vehicles.

Production Worker

Forte Plastics Co - Kansas City, MO

September 2007 to January 2013

Five years of direct shipping and receiving. Including but not limited to packing, weighing, wrapping shipments. Following specific instructions and handling all aspects start to finish in producing specific plastic products and preparing and loading shipments. I proficiently use a wide range of equipment including hydraulic pallet jacks, fork lifts, and packing equipment.
