EMPLOYMENT HISTORY

Cell dogs K-9 Companions

Title: Master Trainer

10/2015 to 9/2017

My duties included, but were not limited to; Training rescued dogs basic obedience, Training privately owned dogs obedience and other requested behaviors, Training other handlers, grooming, basic veterinarian procedures, being team leader, various administrative duties.

Habitat for Humanity

Title: Cabinetmaker

2/2012 to 8/2015

While working as a cabinetmakers apprentice, I built hundreds of custom cabinets starting with rough-cut lumber and a set of blue prints all the way to finishing. I always took great pride in my work and I was rewarded with the most challenging projects.

Self Employed

Remodeling and Restoring Homes

2000 to 2008

During this time I was 'flipping' houses and I did all aspects of remodeling/refurbishing included but not limited to; Framing, flooring, Drywall hanging and finishing, painting, plumbing, electrical, mechanical HVAC, tile setting, cabinet installing etc.

When the home market crashed in 2008 I was unable to continue.

O'Toole's Garden Centers

Warehouse Manager

1995 to 2000

Duties included ordering dry goods for three locations, loading and unloading trucks using forklift and pallet jack, warehouse inventory and organization, stocking store shelves and building displays. I also dealt with customers on a daily basis.

Skills

I am proficient with a forklift, manlift, pallet jack, Bobcat, most power tools and every hand tool from a precision screwdriver to a sledge hammer. I also have good customer relation skills, am very articulate and friendly.
