To obtain a fulfilling and challenging full-time position with an established company which provides flexibility for professional growth. I look forward to contributing to the success of a company and helping it thrive. I'm a strong team player with a great spirit. Possesses outstanding retail customer service skills. Very good at adapting to the situation and being part of a team as well as working alone. Physically able to complete necessary tasks and will be an asset to any company. My greatest asset is the ability to help companies grow.
