Work Experience

Warehouse Associate

J&K Cabinetry - Denver, CO
March 2021 to Present

Assembly of custom cabinets and pantry's. Selecting orders and bringing them out to assembly to be made according to customers needs. Customer service at pickup and docking area to ensure customer satisfaction in picking up their items. Maintaining cleanliness and a safe work environment.

Roofer

S.N.E.W - Rapid City, SD
April 2016 to Present

Mainly working as a shingler on the crew but we all share labor work such as tear off and dry in as well as clean up. We use chalk lines in order make everything uniform, so I'm used to snapping lines. Also gained some experience in how to measure and bid the customers roof.

Research Assistant

Oglala Lakota College - Rapid City, SD
October 2017 to August 2018

Research in the area of mycology, systematic mycology, and natural sciences. I was responsible for cataloging and acquiring specimens from the Black Hills National Forest and surrounding areas. Also working with endemic species to combat health issues facing rural indigenous communities.

Roofer

Diamond Roofing Corp. - Rapid City, SD
January 2013 to December 2015

Tear off and dry in, also clean up of with site. Started out as a laborer but later changed positions to shingler. Working on commercial and non commercial roofs.
