Along the course of my job history I've experienced many work environments mainly as a Machine Operator and Customer Service. I've always worked well with others. I work well under pressure and fast paced work areas. I welcome change and easily adapt in different areas to reach your expectations.

Work Experience

CNC Machinist/Operator
IMI Precision Engineering - Littleton, CO
2018 to 2019

• Use common hand tools/power tools in the production and finishing of machined parts.
• Ensure quality parts while minimizing scrap and rework through proper in- process inspection

CNC Machinist/Operator
Weiser Engineering - Arvada, CO
2017 to 2018

• Inspected finished products for quality and adherence to customer specifications.
• Started machine operations by inserting control instructions into control units.

Machine Operator
Electro Mechanical Products Inc - Lakewood, CO
2014 to 2016

• Read and understood blueprints, product specifications and tooling instructions to plan correct operational sequences and prevent materials waste.
• Monitored machines in operation to detect malfunctions and identify product defects.
• Operated various types of gauges to inspect pieces after production completion.

Machine Operator
PRIMUS METALS - Lakewood, CO
2013 to 2014

• Obtained appropriate tooling and fixtures to revise setups on calibrated test strands.
• Selected proper cutting tools and calculated correct parameters to manufacture quality parts.

All Purpose Clerk
King Soopers - Edgewater, CO
2010 to 2013

• Maximized customer satisfaction by assisting customers complete purchases, locate items and sign up for rewards programs.
• Drove sales and add-on purchases by promoting specific item options to customers.

• Learned roles of other departments to provide coverage and keep store operational.

Education

High school or equivalent
Jefferson high school - Edgewater, CO
2007 to 2011
