

Marshay McCullough Sr

Supervisor and CNC Machinist (Computer Numerically Controlled Machinist III)

Lavonia, GA 30553

marshaymccullough@gmail.com

+1 706 491 8908

Work Experience:

Supervisor - Carry On Trailer, Lavonia, GA

January 2020 to Present

- Supervising robotic welding and shipping areas
- Ensuring production is aligned with customer orders
- Managing supplies for welders
- Controlling time clock and attendance
- Monitoring workflow and maintaining production rate
- Performing minor maintenance on machines
- Operating forklifts, sky jacks, and tractors to move trailers
- Training employees

CNC Machinist III - Honeywell, Greer, SC

January 2018 to January 2020

- Operating Cincinnati vertical broach disk
- Conducting CMM checks on parts
- Performing setups and changeovers

CNC Machinist (Computer Numerically Controlled Machinist) - Baldor September 2016 to January 2018

- Replacing dull cutting tools
- Monitoring machine operation for malfunctions
- Adjusting machine feed and speed
- Developing and verifying machine control data
- Ensuring programs meet specifications
- Performing daily system backups
- Lifting workpieces using cranes
- Calculating size of cuts
- Operating mainframe computers and peripheral equipment
- Maintaining records and documentation
- Planning machining based on work orders, blueprints, and parameters
- Using measuring instruments such as micrometers

CNC Machinist (Computer Numerically Controlled Machinist) - Lupold

June 2009 to September 2016

- Replacing dull cutting tools
- Listening to machine operation for malfunctions
- Adjusting machine feed and speed
- Developing and verifying machine control data
- Ensuring programs meet specifications
- Manually lifting workpieces to machines
- Calculating size of cuts, machine speed, and feed ratios
- Operating mainframe computers
- Maintaining records and documentation
- Planning machining based on work orders, blueprints, and parameters

Education:

Associate in HISTORY - Piedmont College, Demorest, GA

SKILLS: CNC, Documentation, Drill Press, Forklift Operator, Grinders, Machinist, Mainframe, Materials Management, SAP, ISO 9000

NATIONAL CAREER READINESS CERTIFICATE: Gold level attained, ACT, 11/01/2009, Georgia

CNC (8 years)

Documentation (10+ years)

Drill Press (7 years)

Forklift Operator (10+ years)

Grinders (8 years)

Machinist (8 years)

Mainframe (7 years)

Materials Management (10+ years)

CNC Mill (8 years)

Mazak (8 years)

CNC Machine (8 years)
