Mayo Clinic

September 2005 to October 2018

My years of nursing experiences as been very rewarding and continues to give me wonderful experiences in my nursing role. I started my earlier years working with the Geriatric and Psychiatric population. Later I had the privilege in Michigan in working as a Camp Nurse before returning to Minnesota. Here in Minnesota I worked as a School Nurse and in General Internal Medicine at the Mayo Clinic Some of the skills I have acquired through my nursing experiences are;

Daily patient care

Rooming and patient intakes

Administration of medications and vaccines

Providing patient treatments and procedures

Telehealth nursing

Requesting and Obtaining patient records

Chart reviews

Preceptor for trainees
