Work Experience

Inventory Control Coordinator, Business Systems Analyst, Warehouse Manager, SAP Analyst

Hunter Douglas Inc - Broomfield, CO

September 1995 to 2016

I have a long background in Inventory Control and Warehouse Management, Manufacturing Operations, and Systems Development and Integration. I spent many years in the corporate world doing database development and ERP implementations and support from top to bottom, working with both small and large teams to accomplish our business goals.

American Water Works Association - Denver, CO

July 1991 to September 1995

Sundstrand Aviation - Westminster, CO

August 1988 to July 1991
