# INJURY MANAGEMENT PROGRAM

## Injured Worker's Responsibilities

As your employer, we are concerned about your full recovery. Reasonable and necessary medical care will be paid for any compensable work injury. Medically authorized time away from work will be reimbursed in accordance with the **State of Minnesota workers' compensation laws**. Wherever possible light duty restrictions imposed as a result of your injury will be accommodated.

### RESPONSIBILITIES OF THE INJURED WORKER:

Minnesota Rule Sec. 5221.0430, Subp. 1 requires that you choose one primary health care provider. Subpart 2 places limitations on your right to change primary health care providers. Discuss with your employer any change in health care provider.

Attend all scheduled appointments. While on physical limitations, visits should be a minimum of once every two weeks. Failure to have current medical support for disability may result in termination of benefits. Schedule your next appointment immediately after your doctor visit, before you leave the clinic if possible.

Obtain a Report of Workability from your physician at every appointment, a minimum of once every two weeks. M.R. 5221.0420 requires that your physician cooperate with return to work planning and that you be released to return to work at the earliest appropriate time.

Immediately following your appointment, provide a copy of the report to the designated employer representative. You should deliver this in person so that changes in work restrictions may be addressed and any questions answered.

Follow all physical restrictions at home and at work.

Report to work and perform physically suitable tasks as assigned. These may or may not be in your regular department. The work may or may not be on your usual shift.

Maintain regular, weekly, communication with your employer if you are unable to return to work. Contact your employer a minimum of after every visit with your primary health care provider. Keep the claims representative advised of your status.

Notify your employer immediately of any new injuries or conditions that impact your physical condition.

If it is necessary to miss scheduled work due to a work injury, you must be seen by your primary health care provider the same day in order to receive compensation for the time away from work. The physician must complete a Report of Workability.

**I have read my responsibilities and agree to abide by these guidelines.**

## Important/Importante

### LOST OR STOLEN PAYCHECKS

If a paycheck is **lost** (*missing, misplaced, destroyed, lost in the mail, etc.*), you must notify your staffing recruiter that the check cannot be found. If it can be verified that the check has not been cashed, ESSG will stop payment on the check and re-issue the check to you, deducting a fee of between \$25-\$35.

If your paycheck was **stolen**, you must first file a police report before we can re-issue the check. Once you have done so, you must provide a copy of the policy report to your staffing recruiter that the check was stolen. If the check has not been cashed and if the loss of the check was not your fault, ESSG will issue a new check and no fee will be deducted.

### CHEQUES DE PAGO PERDIDOS O ROBADOS

Si un cheque de pago se pierde (que falta, fuera de lugar, destruido, perdido en el correo, etc), usted debe notificar a su reclutador de personal que el cheque no se puede encontrar. Si se puede verificar que el cheque no ha sido cobrado, ESSG se detendrá el cheque de pago y reemitir el cheque a usted, descontando un cargo de entre \$ 25 - \$ 35.

Si su cheque de pago fue robado, primero debe denunciar el robo a la policía antes de que podamos volver a emitir el cheque. Una vez hecho esto, usted debe proporcionar una copia de la denuncia a su reclutador de personal que el cheque fue robado. Si el cheque no ha sido cobrado y si la pérdida del cheque no fue su culpa, ESSG emitirá un nuevo cheque y no hay cuota se deducirá.

## New Health Insurance Marketplace Coverage Options and Your Health Coverage

Form Approved  
OMB No. 1210-0149  
(expires 11-30-2013)

---

### PART A: General Information

When key parts of the health care law take effect in 2014, there will be a new way to buy health insurance: the Health Insurance Marketplace. To assist you as you evaluate options for you and your family, this notice provides some basic information about the new Marketplace and employment-based health coverage offered by your employer.

#### What is the Health Insurance Marketplace?

The Marketplace is designed to help you find health insurance that meets your needs and fits your budget. The Marketplace offers "one-stop shopping" to find and compare private health insurance options. You may also be eligible for a new kind of tax credit that lowers your monthly premium right away. Open enrollment for health insurance coverage through the Marketplace begins in October 2013 for coverage starting as early as January 1, 2014.

#### Can I Save Money on my Health Insurance Premiums in the Marketplace?

You may qualify to save money and lower your monthly premium, but only if your employer does not offer coverage, or offers coverage that doesn't meet certain standards. The savings on your premium that you're eligible for depends on your household income.

#### Does Employer Health Coverage Affect Eligibility for Premium Savings through the Marketplace?

Yes. If you have an offer of health coverage from your employer that meets certain standards, you will not be eligible for a tax credit through the Marketplace and may wish to enroll in your employer's health plan. However, you may be eligible for a tax credit that lowers your monthly premium, or a reduction in certain cost-sharing if your employer does not offer coverage to you at all or does not offer coverage that meets certain standards. If the cost of a plan from your employer that would cover you (and not any other members of your family) is more than 9.5% of your household income for the year, or if the coverage your employer provides does not meet the "minimum value" standard set by the Affordable Care Act, you may be eligible for a tax credit.<sup>1</sup>

**Note:** If you purchase a health plan through the Marketplace instead of accepting health coverage offered by your employer, then you may lose the employer contribution (if any) to the employer-offered coverage. Also, this employer contribution—as well as your employee contribution to employer-offered coverage—is often excluded from income for Federal and State income tax purposes. Your payments for coverage through the Marketplace are made on an after-tax basis.

#### How Can I Get More Information?

For more information about your coverage offered by your employer, please check your summary plan description or contact **Employer Solutions Staffing Group LLC - 952-767-9519**.

The Marketplace can help you evaluate your coverage options, including your eligibility for coverage through the Marketplace and its cost. Please visit [HealthCare.gov](http://HealthCare.gov) for more information, including an online application for health insurance coverage and contact information for a Health Insurance Marketplace in your area.

<sup>1</sup> An employer-sponsored health plan meets the "minimum value standard" if the plan's share of the total allowed benefit costs covered by the plan is no less than 60 percent of such costs.
