+1 720 471 7630

Solid set ups on haas machines. Some experience on a flo jet waterjet. Give me good programs, and I'll give you good parts.

Authorized to work in the US for any employer

Work Experience

Machinist/ set up, and prototype.

Wild Goose Filling technologies - Louisville, CO

December 2018 to May 2022

Ran haas cnc VF4, VF6, small tool room mill. Flo jet waterjet. But my main machine was a ahas Gantry. Made production parts and prototype for canning and bottling machines. Set ups on all machines. And a tiny bit of time on a Manuel mill. Mostly drilling and tapping. Also used 2 different auto saws.

Machinist

Weiser Engineering, Inc. - Arvada, CO

April 2015 to December 2018

Mainly operated haas cnc machines on weekend crew. Confirmed dimensions, demurred and D.A. parts prior to shipping. A little set up at the end of my employment there.

Additional Information

I've been working the weekend shift for about 7 years. I know it's a hard shift to keep filled. Working this shift for so long, the rest of my life is catered around it. Needless to say, I prefer the weekend shift.
