## Skills and Abilities

### Bilingual/Fluent in Spanish

I am fully literate and fluent in Spanish as a result of attending bilingual schools and taking additional classes for native speakers, as well as extensive travels and volunteer work in native Spanish-speaking countries.

### Accounting/Finance

I have multiple years of experience working in accounting and finance in addition to obtaining my Bachelor of Science in Accounting from Colorado State University. I have a familiarity with the US tax code and laws through my extensive preparation of individual and business tax returns. I have also provided some consulting on tax issues to individuals seeking information regarding current returns as well as tax planning for future years. Experienced with Intuit Lacerte, QuickBooks, and Excel software for tax preparation.

### Leadership/Teamwork

I competed athletically at the collegiate and semi-professional level, along with having coaching experience at the collegiate level. This has instilled in me a strong sense of commitment, dedication, and pride in my work. Additionally, it also contributed to my belief in the importance of good leadership, teamwork and punctuality.

### Statistical Analysis

Experience with data analysis, statistical analysis and data interpretation. Some experience with R as a coding language.
