**Third Party Notification**  
**Disclosure of Sexual Offense**

I, ~~Josh Mathews~~ am aware of Josh Mathews's offense which s/he pled guilty in Court to the offense of MISDEMEANOR UNLAWFUL SEXUAL CONTACT and placed on probation. S/he has informed me that the offense consisted of the following behaviors (a description of their offense given to you):

Touched a young woman inappropriately

As a condition of his/her probation, I am aware that s/he is to have **NO contact whatsoever** with minors (anyone under the age of 18 years old), including their own children. "Contact" includes physical touching, waving/smiling, **verbal communication**, phone calls, letters or notes, emails, text messages, pictures, receiving information from anyone or asking about the wellbeing of a minor. If there is any **unauthorized contact** with minors, s/he is in violation of probation and may be subject to being returned to the Court and their probation may be revoked.

It may be possible for this probationer to have **supervised** contact with specific minors when approved in advanced and in writing by the community supervision team. This form of **authorized** contact would be in the presence of an informed supervisor who has been approved by the team.

It is helpful for the person completing and signing this from to be aware of the sexual offense as they may aid the probationer in avoiding or not having any type of contact with minors or receiving information about a minor. The probationer should also inform you about other conditions such as no alcohol/drug use, restricted movement in the community, and the need for safety plans for all activities. Please contact the assigned probation officer for further information about the specific terms of probation, questions, or concerns about the probationer.
