Circle Pines, MN 55014

Goal:

To return to the work where I was happiest: working in a warehouse with a team of great people.

Skills:

Many years of forklift (upright and seated) experience  
Computer troubleshooting, building, upgrading  
Proficient in Android, Chrome OS, MS Office, Windows XP-10  
25 years writing, studying English  
20 years of carpentry, woodworking, mechanical repair  
5 years of retail sales experience

Education:

Anoka Ramsey Community College, Ramsey, MN  
Vermilion Community College, Ely, MN  
Fayetteville High School East Campus, Fayetteville, AR

History:

I have many years of warehouse/forklift experience as well as other heavy equipment experience.

**Superior Managed IT - 1306 County Rd F West Suite 200, Arden Hills, MN 55112**

2018-Present

At Superior, I work on the service desk. I repair, upgrade, set up computers alongside taking general tech support calls from clients. I am in charge of the backup team and am the quartermaster; I process all incoming shipments and track our inventory.

**Meier Tool - 875 Lund Blvd, Anoka MN 55303**

2017-2018: Quality Control

At Meier Tool, I worked in the quality lab. I ran compliance checks on parts, refined programs for automated measurement devices, and assist quality engineers and programmers.

**Newport Cold Storage - 2233 Maxwell Ave, Newport MN 55055**

2014-2016: Fleet operations

My job at Newport was to help manage, maintain, and operate the fleet units. Secondary duties were warehousing and customer relations.

**TPC Repair – Stacy MN**

2013-2014: Foreman

As foreman for a team of house remodelers, I was responsible for planning, quality assurance, code compliance, deadline adherence, morale, training, specialized labor.

**Cargill Kitchen Solutions – 206 W 4<sup>th</sup> St Monticello MN 55362**

2009-2013: Fleet Equipment Operator

Duties were managing and operating a discrete fleet unit including appointment execution and safety assurance.

**Newport Cold Storage - 2233 Maxwell Ave, Newport MN 55055**

2008-2009: Forklift Operator

I worked in the warehouse, picking orders and loading and unloading trucks with a forklift. I also used the double pallet jacks a lot.

**Al Johnson Trucking – Minneapolis MN**

2005-2009: Fleet Equipment Operator/Account Manager

Duties included fleet unit operation including safety and fulfillment, account management including acquiring and keeping new customers and scheduling freight deliveries.

**Artistic Ephemera – Bentonville, AR 72712**

2004-Present: Creative consultant, business adviser

Ongoing duties include advising on day to day operations, evaluating product quality and presentation, monitoring profits, and supervising web execution of family-owned internet store.

**Pier 1 Imports, Toys 'R' Us, Target**

1998-2003: Sales, Inventory

I did everything but manage these stores during the years I worked for them. To this day, I still have friends from those jobs.

**Americold Logistics - 1200 North Old Missouri Road, Springdale, AR, 72764**

1998-1999

I worked on the loading dock, operating forklifts and double pallet jacks. I picked orders, loaded and unloaded trucks.
