SUBJECT:	Matt Diamond- Statement from Greg Peterson	DATE:	

COMMENTS: Teresa, The following is a statement from Greg Peterson. He is our maintenance tech. on 3<sup>rd</sup> shift. Greg and Michael Dang were both present when Matt mentioned his injury that occurred outside of work.

6-4-2010 

I am writing this statement to confirm a conversation held between me, Michael Bray and Matt Diamond regarding an arm injury incurred by Matt. Matt explained to me when asked about his arm injury that he had injured it at home while working on the shocks of his truck. Matt explained that while he was removing a shock from his truck that the shock broke and his arm had slammed into the frame of the truck injuring his arm.

Statement of Injury
