## Work Experience

---

### **Overnight Stocker**

Ingles Markets - Hendersonville, NC

June 2015 to June 2021

I would unload a truck and throw stock on a shelf.

### **Picker/Packer/Machine Operator**

Asg/Mps - Hendersonville, NC

November 2010 to February 2015

Started out as a picker/packer ended up learning how to run a tray machine. Essentially putting trays onto dvd/ cd cartons. And then from there got to learn how to run a finishing machine or a high speed gluer whichever sounds better. We would take flat stock from printing and diecutting and make cartons out of it. Toothpaste boxes . Perfume. Medicine.

### **Construction Grunt**

Morgan Brothers Builders - Hendersonville, NC

June 2007 to June 2010

Basic framing and finish work. I was basically the cut man or 1 man clean up crew .
