Denver, CO 80219

maxwellnorby@gmail.com

303-957-7125

I am a veteran warehouse employee, well versed in all aspects of a warehouse or industrial environment. With several years of Heavy machinery operations, quality assurance, and managerial experience, I feel I will make a great fit to any warehouse or technical team.

Work Experience

Warehouse Team Lead/ Quality Assurance

Bron Aerotech - Denver, CO

June 2017 to Present

Upon being hired on at Bron Aerotech, my role was that of operating one of several industrial cutter machines, with time also spent order selecting, and shipping and receiving. Eventually my responsibilities shifted to a more quality focused role, resulting in a promotion to a dual office/warehouse quality supervisor role. I was responsible for supervising on-time order delivery, all vendor communication regarding quarantined material, quality of material being received and shipped, as well as documenting and maintaining all quality processes required to hold proper aerospace certifications.

Demobilization Specialist

USFS - Denver, CO

March 2016 to June 2017

A position within the rocky mountain fire support cache system. This job is a catch all for wildland firefighting activities, with a bulk of the work being done in testing refurbishment and redistribution in a warehouse located at the Denver federal center. details or deployments would occur during active fires with two or three weeks on location. Within the company i was able to earn certifications in emergency first responding, heavy equipment operation, and my firefighter redcard.

Project Manager

Wimmer Roofing and Exteriors - Denver, CO

September 2013 to August 2015

As Project manager for Wimmer roofing, my main responsibilities were, to supervise and maintain a clean and professional worksite, act liason between homeowner and the company, addressing all concerns, and troubleshooting all worksite issues.

Education

Associate of Arts in general ed

Red Rocks Community College - Lakewood, CO

2013
