

CESAR A. MEJIA MUNOZ

18146 E Baltic Pl, Aurora, CO 80013

303-513-0431

cesar.mejiamunoz@ucdenver.edu

OBJECTIVE

To obtain a laboratory position that will allow me to utilize my scientific knowledge and laboratory experience to foment company growth and success.

SUMMARY OF SKILLS

Laboratory

- Over 3 years of academic laboratory experience in diverse areas of Chemistry and Biology
- Knowledgeable in procedures such as HPLC, Mass-Spec, AA spectroscopy, IR, NMR, UV-VIS, GC, TLC.
- Knowledgeable in aseptic techniques, biochemical testing, smear preparation.
- Training in laboratory safety and proper chemical waste procedures.
- Outstanding attention to detail

Computational

- Over 1 year of experience working in computational biology.
- Knowledgeable in Python programming language and Linux OS.
- Proficient in data recording and interpretation.
- Proficient in the use of Microsoft Office.
- SQL database management.

Customer Service

- Fluent in Spanish.
 - Excellent interpersonal skills
 - Excellent work under pressure
-

EDUCATION

University of Colorado

Bachelor of Science

Major: Chemistry

Minor: Biology

Denver, CO

Overland High School

High School Diploma

Aurora, CO

Related course work

- Chemistry lecture as well laboratory coursework in Analytical Chemistry; Instrumental Analysis; Organic Chemistry I, II; Inorganic Chemistry; Physical Chemistry I, II.
- Calculus I, II & III

Supplementary Courses

- STEPS 2009 Seminar
 - PCR training; Ethical conduct of research; General laboratory safety procedures; use of Microsoft Office.
- Honors Organic Chemistry II Laboratory.
 - Proper chemical waste handling.
- Current Good Manufacturing Practices at Work (cGMP)

Memberships

- American Chemical Society
- Phi Theta Kappa Honors Society

WORK EXPERIENCE

Colorado Laboratory Services

Resolution Tech

Lakewood, CO

- January 2013-Present
- Primary duties included
 - Solved a variety of problems through independent judgment and strong research skills.
 - Coordinated with different departments to promote quality patient care.
 - Worked in a stressful environment with minimal errors and complete accuracy.
 - Maintain detailed documentation of all the actions performed.

EZ Pawn

Pawnbroker

Aurora CO

- July 2010-August 2012
- Primary duties included
 - Provided excellent customer service in a wide socioeconomic and multicultural environment.
 - Maintain a professional demeanor under pressure
 - Item appraisal and warehouse maintenance.

STEPS-MSCD; UC Denver, Center for Computational Pharmacology

Aurora CO

- May 2009-July 2010
- Primary duties included
 - Very meticulous and organized collection data.
 - Prepared reports to present the collected and analyzed data.
 - Amino acid text mining of scientific articles
