To whom it may concern,

This letter is my personal recommendation for Laurie Mesko until recently, I have been Laurie's immediate supervisor for the past couple of years. I found her to be consistently pleasant, tackling all assignments with dedication and a smile.

Laurie was always on time for her appointments and the best of the whole fleet with her safety, log book and all paper work. I highly recommend Laurie for employment. She is a team player and would make a great asset to any organization.

Sincerely,

Greg Losenbeck Vice President of M.H.L. Trucking, Inc.
