Professional Summary

Highly motivated, detail oriented, my experience ranges in multiple trades. I have experience in welding, driving, equipment operation, as well as leadership. My passion in life is feeding the souls of America one gourmet sandwich at a time. Am a member of Toastmasters International, well spoken as well as an exhausted rooster for Jaycees of America I have completed, also went on to teach classes in, 40 book leadership program, also other programs such as: career development, Money Smarts, Business management, Business Consulting. I have always stood by this motto It would take three people to replace me.

Willing to relocate: Anywhere
