#readytowork

Authorized to work in the US for any employer

Work Experience

Machinist apprentice

Goldberg Brothers - Ken Caryl, CO
September 2017 to July 2019

I was a machinist my job was to manufacture steel parts for barn door and movie reel parts included track. Using a grinder,lade,drills,sandblaster,and Sanders. My last position I was in charge of quality control working to correct rejected painted parts and resending them through paint. As well as kee a flow of parts to paint line and assembly. Worked on a lathe and some Cnc work.

Quality Control Inspector

FUTURE FOAM - Denver, CO
August 2016 to September 2017

I was in charge of quality control for Denver mattresses that we manufactured in our wear-house. My job was to make sure all orders were filled and loaded to the trucks and also make sure all beds were inspected before loading.

Assistant Manager

Walmart - Denver, CO
September 2005 to June 2016

Manage inventory. And make sure my departments were stocked and ready for a sales day. As well as meet sales quotas and department and store goals
