## Professional Summary

---

I hold welding fabrication and pipe welding certificates and have worked in professional welding. I am seeking to advance my welding career. I am skilled in all welding fabrication processes and most proficient in stick and mig.

I am self-motivated and work well independently, and with a team.

I exhibit strong attention to detail and adherence to spec and code requirements.

## Work Experience

---

### **Welder/fabricator/burntable operator**

Advance tank and construction-Wellington, CO

August 2023 to Present

I build everything from stairs and hand rails to the tanks we build. I can also roll plate and run a burn table very efficiently.

### **Welder/Fabricator**

Beatty Construction Services-Loveland, CO

August 2022 to May 2023

I am a welder fabricator and I'm currently building pedestrian bridges. I've built everything from beams and columns to stairs and balconies as well.

### **Lead Welder**

Rocky Mountain Sire Services-Bennett, CO

January 2021 to November 2021

Responsible for all field welding including hanging gates, constructing and welding fences, building bull pens, and general structural welding where needed. Experienced as a ranch herdsman assisting managing bulls.

### **Handyman**

Prop Main-Lafayette, CO

August 2019 to August 2020

Responsible for general maintenance and repairs, small remodels, landscape maintenance and general property upkeep for residential and commercial properties.

### **Lumber Yard Hand / Equipment Operator**

Bustamante Fire Wood-Longmont, CO

November 2018 to November 2019

Responsible for moving and cutting lumber with skid steers and chainsaws.

### **Asphalt Paving Crew Member**

Fort Collins, CO

January 2018 to November 2018

Functioned as a member of the road paving team.
