Work Experience

Operator II

CoorsTek - Golden, CO
January 2017 to Present

I am currently a material handler but I know how to operate all machines and inspect for Osterwalders. My duties include filling up, unloading fresh parts, and cleaning dry press machines.

Insulation Installer

Private construction Companies - Mobile, AL
January 2013 to January 2017

Installing insulation to pipes, ducts, walls, and tanks using precise measurements and different materials such as armaflex rubbering, autistic, thermal, and foam glass. I have some sheet metal experience doing basic mechanical work to pipes and food processing towers. I have also worked for maritime companies installing insulation to Naval Vessels.

Education

N/A in Biology

University of South Alabama - Mobile, AL
July 2016 to July 2017

Skills

Microsoft Word/Office (2 years)
