Experience

Home Depot / Overnight Stocker

Jan 2020 - September 2022, Firestone, CO

Experienced Overnight Stocker with a proven track record of efficiently organizing and stocking products to shelves. Skilled in order pulling and adept at operating forklifts and other equipment necessary for warehouse operations. Known for attention to detail and dedication to maintaining a well-organized and visually appealing store layout. Seeking to leverage expertise in inventory management and logistics to contribute to a dynamic team environment.

Stericycle / Overnight Forklift / Day Shift Fill In

July 2022 - August 2023, Frederick, CO

My responsibilities entailed skillfully maneuvering a forklift to transfer bins of medical waste from trailers to dumpers, ensuring precise and efficient unloading procedures. I successfully completed the unloading process single-handedly for two trailers each night, demonstrating exceptional efficiency and attention to detail. Moreover, I seamlessly transitioned to assembly line roles during day shifts, effectively adapting to changing operational needs and contributing to overall productivity.

American Furniture Warehouse / Order Puller

August 2023 - Present, Firestone, CO

Throughout my shifts, I adeptly operated a forklift and order puller to fulfill various tasks, including pulling orders for customers, transporting goods to the dock, and efficiently organizing products within the warehouse racks. My proficiency in multitasking allowed me to seamlessly manage these responsibilities while maintaining a high level of accuracy and timeliness. I take pride in my ability to optimize workflow processes and ensure that products are readily accessible for both internal operations and customer fulfillment.
