Hello,

Thank you for taking the time to review my resume. I currently live in Aurora, CO and am looking to further my experience in the sustainable indoor farming world. I have an outstanding work ethic, believe in being respectful and love to learn.

Michael Johnston

Willing to relocate: Anywhere

Authorized to work in the US for any employer

## Work Experience

---

### **Driver**

DoorDash - Boulder, CO

April 2021 to Present

I pick up and deliver food from restaurants and grocery stores to residential addresses.

### **Production 3**

Kalera - Aurora, CO

March 2022 to December 2022

Production 3 members are responsible for:

Operating the transplanter and leading the transplant teams

Pruning, boxing and palletizing lettuce orders

Assisting the order pickers in moving carts

Dishwashing

Seeding

Cleaning

### **Woodworking Apprentice**

Palmer Woodwork - Boulder, CO

July 2021 to November 2021

Worked in a high end cabinet shop learning the ropes of cabinetry and basic woodworking. Machines used: CNC to cut parts, Altendorf table saw, Jointer, Planer, Wide Belt Sander, Shaper, Orbital Sander, Pneumatic nail guns and air hoses.

### **HVAC Installation Technician Apprentice**

PLUMBLINE SERVICES - Denver, CO

December 2019 to April 2020

Helped retrofit residential Furnace and A/C systems.

Would go into homes and pull out old furnace systems and A/C systems and replace them with newer and updated models.

Furnished all of my own tools except for 2 or 3 expensive job specific tools provided by the company.  
Was responsible for working by myself and with others.  
Was responsible for my own transportation.

### **Owner**

Local YardWork Company

2004 to 2020

Colorado

Owner and Operator of a YardWork Company which employs friends and acquaintances to accomplish projects for a wide host of clients.

Responsible for:

1. Receiving and contacting leads for potential jobs.
2. Furnishing and maintaining all equipment needed for each job.
3. Coordinating the labor and schedule for each job ranging from 1 employee to 5 employees.
4. Completing each job in a timely and professional manner.
5. Collecting payment and establishing good rapport with the client.
6. Keeping detailed logs of all pertinent information

### **Driver, Broadbent Provisions**

FedEx - Denver, CO

February 2019 to November 2019

CO

Driver for a Certified Service Provider for FedEx through the Henderson Terminal in Denver.

Responsible for:

1. Loading trucks.
2. Delivering packages safely and on time.
3. Using navigation and data log technology properly.
4. Being courteous and professional.

### **Mover/Driver**

All Service Moving - Portland, OR

August 2018 to December 2018

Responsible for:

1. Leading the loading and unloading of household goods to and from a box truck.
2. Filling out the proper paperwork for each job.
3. Driving safely to the destination, between the pick up and drop off sight and back to the warehouse.
4. Managing the crew under my supervision.
5. Establishing good rapport with the customer.

### **Brewery Assistant**

Soma Kombucha - Portland, OR

February 2018 to July 2018

Assistant to Bottling, Brewing, and Facilities in growing Kombucha factory.

Responsible for:

1. Bottling up to 600 gallons of Kombucha per day using a mechanical bottling machine

2. Keeping the warehouse organized and clean
3. Helping fix and upgrade processes in need (company was still a work in progress)
4. Assisting with the setup and maintenance of brewing procedures
5. Having a good attitude
