Hello!

My name is Michael Moore. I am an honest, reliable, hard worker that takes pride in all I do. I am looking to utilize my skills for long-term employment in a growing company.

Experience in the following: Forklift certified, CNC, Waterjet programming, hand and power drills, grinding, warehouse, assembly, shipping and receiving, ability to read and inspect blueprints and calipers.

Thank you for taking the time. I do look forward to hearing from you!

Authorized to work in the US for any employer
