Work Experience

CNC Machinist

Trelleborg Sealing Solutions - Louisville, CO

January 2017 to November 2020

I'm currently looking for employment as a CNC Machinist.

My last job was with Trelleborg Sealing Solutions as a CNC Machinist. I was with them for close to four years and learned a great deal.

I was running a four machine high-volume cell, and have trained multiple operators that have excelled.

I have an Associates Degree in CNC Manufacturing.

I am proficient in setting up, and running the following machines:

- Hardinge GT (Fanuc)
- Doosan (Fanuc)
- Mazac (Mazatrol) Standard programming)

- Okuma (OSP-P)

Education

Associate Degree in CNC Manufacturing

Community College of Denver - Denver, CO

August 2015 to April 2018
