### Middle Park High School

### Key Skills

Strong in mechanical diagnostics  
  
Works well under pressure  
  
Knowledge mechanical, electrical,  
Pneumatics, and hydraulic systems.

### Objective

To Further my knowledge, and advance my communication skills.  
To learn more administration on the contractor side of things.

### Experience

*September 2012- January 2018*

TM4 • Industrial Mechanic • Freeport Mcmroan

*January 2018- October 2019*

Maintenance • Industrial Mechanic • Pete Lien & Sons

*October 2019- October 2021*

Maintenance A• Industrial Mechanic • Cemex

During my career I have learned strong diagnostic skills, as well as leadership and lead skills being in a lead position since 2015. I work well with others and love to train and learn from knew people.

### Communication

I was a volunteer firefighter where I worked my way into a training officer role, I had to teach and run trainings and drills for new and seasoned firefighters.

I also have to Communicate being in a lead role, to make sure there are good clear instructions on what to do.

### Leadership

I have been in a lead maintenance position since 2015, Where I have to over see jobs, and other tasks as well as make sure my co- workers have the knowledge and skills they need to be successful
