OBJECTIVE

A position in or related to the field of welding, with a special interest in securing a position with a solid company that can utilize my welding skills

RELEVANT SKILLS AND EXPERIENCE

- Certified in 3G, & 4G welds. Hardwire & Flux Core
- Laid out, fit and welded fabricated, cast and forged components to assemble structural forms, such as machinery frames, tanks, pressure vessels, furnace shells and building and bridge parts.
- Selected equipment and planned layout, assembly and welding, applying knowledge of geometry, physical properties of metal machining weld shrinkage and welding techniques.
- Laid out, positioned, aligned and fit components together.
- Trained and managed six employees and achieved significant improvements in their productivity.
- Set up equipment and welded parts, using arc, gas-shielded arc, submerged arc, and gas welding equipment.
- Assembled parts by bolting and riveting.
- Repaired products by dismantling, straightening, reshaping and reassembling parts with cutting torch and Straightening press.
- Operated HVACs
- Roustabout, maintenance on oil rigs
- Roughneck on oil rigs

WORK HISTORY

Supervisor/Site Foreman – Hurricane/BCR – Dickinson, ND 5 Years

Welder / Fitter - Wheeler Consolidated - Shakopee, MN 6 Years

Welder - US Transformers - Jordan, MN - 4 Years

EDUCATION

Associate Degree, Welding Technology - Central MN Votech - St. Cloud, MN
