## Work Experience

---

### **Forklift Operator**

NFI Industries-CO

August 2023 to January 2024

I use a forklift with clamps to load up trailers with appliances and accessories .

### **Forklift Operator**

GE Appliances-CO

March 2023 to May 2023

I drove a basilooid lift and I had my personal scanner. On the scanner I would get my assignment and from there I would either pick appliances load them or I would get an assignment to unload a truck and store the appliances within the warehouse.

### **Mig Welder**

Prescient CO inc-Denver, CO

February 2022 to January 2023

Fitting and joining of panels and various components/parts together with select welding processes and procedures.

### **Mig Welder**

Steel Con inc-Denver, CO

March 2018 to September 2021

Welded various miscellaneous parts together read blueprints for specific welds on beams and columns also operated with heavy equipment and and heavy machinery.
