Objective:

I am a U.S. Army veteran with an honorable discharge seeking employment in a manufacturing setting in production, assembly, or as a team leader. I have over fifteen years of experience in the manufacturing field and am seeking a new opportunity for growth. I am able to work independently or in a team environment.

Employment History:

Pillar Manufacturing
Gobles, MI
05/2009- Present

Inventory Handler

Inventoried incoming parts from previous vendors in a warehouse setting. Responsible for cross referencing items and for keeping records of incoming shipments.

Kalsec Inc.
Kalamazoo, MI
12/2007-04/2008

Extraction Operator

OJT as a spice extraction operator on the overnight shift. Operated forklift and was responsible for various hourly checks in the plant.

Welch's Foods
Lawton, MI
08/2006-12/2007

General Utility/ Production

Operated labeling machinery, forklift, and provided plant-wide support in production and general utility.

Pillar Manufacturing
Gobles, MI
10/2005- 08/2006

Inventory Handler

Inventoried incoming parts from previous vendors in a warehouse setting. Responsible for cross referencing items and keeping records of incoming shipments.

Horner Flooring Co.
Dollar Bay, MI
09/1996- 09/2005

Steam Boiler Tender- Fireman

Responsible for the safe operation of three Grandville Kimbell steam boilers. Duties included maintaining steam displacement for lumber kilns and maintaining heat to the facility. Additional duties included maintaining hourly plant security and fire inspections.

Copper Range Company
White Pine, MI
06/1995- 09/1995

Driller Blaster

Apprenticeship program. Training included learning blasting methods and procedures. Also trained in tram operations, Atlas drilling rig, and underground mine safety procedures.

Calumet Electronics
Calumet, MI
08/1991- 06/1995

Lead Production Worker

Chosen by management as the lead person for the shift. Responsible for the quality control of the thickness and tolerance dimensions of the printed circuit panels. Team produced panels using a wet electroplating process.

MichCan Copper Company
Centennial Mine
Centennial, MI
11/1989- 08/1991

Laborer

Worked above and under ground supporting mining operations. Duties included welding, timber repair, resocketing cable, and operating a front lift loader.

Michael A. Bracco (cont.)
