

Mike Byers

Delivery driver for Fedex ground

Fort Collins, CO 80525

michaelbyers87_gtg@indeedemail.com

+1 970 308 1368

My objective is to find fast paced, customer oriented position with a growing company that will show case my current skills, as outlined below.

I also look forward to continued professional growth.

Functional summary While I have had the great opportunity to learn the food distribution business from the ground up, I would like to investigate any opportunity that could make use of my current skill set, or be able to explore new career paths.
