## Work Experience

---

### **Forklift Operator**

POMPS TIRE

November 2017 to March 2018

I was required to select tires per shipment in our warehouse, load them onto my forklift and get them onto a truck. With that I gained a lot of experience with invoices. In addition I had to hand lace tires and load them as well.

### **Environmental Services**

Mystic Lake Casino - Shakopee, MN

June 2017 to October 2017

My time at Mystic Lake consisted of tidying up around casino, Having a list of tasks that I was in charge of to complete properly and on time, Communicating with costumers and assisting with their questions/needs. It also required me to work from 10pm to 7am.

### **Picker/Packer**

Amazon Fulfillment Associates

January 2017 to June 2017

Working nights, having to get things done with a certain deadline, repetitive tasks, being in charge of my own station.

### **Forklift Operator**

NC Minerals - Lakeville, MN

May 2016 to December 2016

I was required to operate a forklift while loading and unloading trucks as well as working in a assembly line with other coworkers. Another addition to my role was to lift about 50 pounds, wrap the product we were distributing, and put it on a pallet to be sent out.
