Please find enclosed my resume and references for you to review. I worked for Premier Security in the past and enjoyed the work and people that I worked for. I left the job to join an Armored Car service and then moved on to work for the area farmers for the past few years to accommodate family and life. The hours were sometimes long and in many various weather conditions, my main farmers were and still are Tom Eversman and Kurt Weis. I am dedicated, self-motivated, and people person looking to join a business in which I can continue to do that. When I was a teenager, I worked at the local Lakeside Plant and NorthStar Foods in St. Charles. I have gained many years of experience, of how to be a dedicated employee and team person to produce a product. Please take the time to look at my resume and call my references. I am a dedicated and loyal employee to the job.

Sincerely,

A handwritten signature in black ink that reads "Mike Hutchison". The signature is written in a cursive, slightly slanted style.
