## Objective

To align myself with a career path in the manufacturing industry that will provide me with a chance to utilize my skills and passions for machining, while learning and growing as an employee as well as an individual.

## Profile

Results oriented

Excellent communication

Effective team player with the ability to make significant contributions to the success of any organization

Ability to work under pressure & managing difficult situations

## Professional experience

### CNC Machinist II | **Trelleborg Sealing Solutions**

7/2021 - Present

Point-to-point programming with trigonometry methods

Experience with Fanuc, Mazatrol and OSP Okuma controllers

Quality assurance inspection with Zeiss Duramax, Comparators and micrometers

PTFE plastic billet preparation, welding and machining

Assist multiple work cells in setup and manufacturing when shot handed

### Security | **Cascadia Global Security**

5/2020 - 7/2021

Assessed potential flaws regarding safety/security at a variety of different sights

Created reports regarding safety, security and compliance

Trained recruits who are new to my primary posts

Observe and report any criminal activity

Provided consultation during CGS transition from Washington state to Colorado regarding licensing and laws

Armed Security Lead Supervisor | **Helix TCS**

7/2018 - 5/2020

Evaluate sights and produce a SOP that suits the clients security needs

Maintain a open line of communication with my team of guards

Dispatch guards for each shift during my set shift

Assist in scheduling and filling in call out

Manage a group of sights ensuring my personnel are properly trained for the specific location

Armed Security Manager | **Unmistakable Security**

3/2017- 7/2018

Secured the operation sight to ensure the safety and well being of the employees

Maintained a strong security presence throughout the facility

Ensured site secure and all personnel vacated before shutting down for the day

Created work schedules for staff

Responsible for training new recruits for multiple locations (includes weapon safety & accuracy, adherence to policies and procedures).

Assisting owner with revising SOP, training manuals and sales proposals

**Education and Skills**
