Work Experience

Sample Express Lead

Dal-Tile-Denver, CO

August 2008 to Present

Being in charge of processing sample requests for ship out through Oasis software & UPS or customer pick up. Ordering packing supplies and sample stock materials. Operating a forklift to load and unload pallets of tile samples. Helping our customers and their customers to the fullest. Interacting with co workers and customers on a daily basis. I am a Master forklift operator. I am a very organized person with strong attention to detail.
