I'm looking to bring the knowledge I have learned in the Oil and Gas Industry to help a company thrive.

Willing to relocate: Anywhere

Authorized to work in the US for any employer

Work Experience

Warehouse III

Liberty Oilfield Services - Henderson, CO

February 2014 to Present

- Loads, unloads, moves or stores items according to delivery or routing documents
- Records and compares quantity of material received with vendor documentation indicating discrepancies such as overages, shortages and damages
- Maintains inventory control
- Issues materials to operating groups as requested; assists requesting staff in identifying required material through use of Microsoft office
- Performs quarterly cycle counts

Firefighter

City of Woodland - Woodland, WA

January 2010 to November 2011

- Responds to fire alarms and extinguishes fire
- Responds to calls for emergency medical services, and renders first aid
- Responds to and renders assistance in emergency cases
- Performs various public information or education tasks

Ecuador Operations Manager

Pacific Food Solutions

January 2011 to February 2011

Ecuador, South America

- Worked as the operations manager for three separate fish processing locations
- Ensured product quality during the fish production process
- Managed equipment and machinery for production
- Processed incoming supplies and delegated duties necessary for creating marinades
- Created working schedules for staff
- Facilitated communications between the Ecuador office and the home office
