Professional Summary

- I consider myself a handyman, and my last job of the newcomers came to me for help when they have problems with their furniture
- one thing I'm interested in is to learn new skills and open my horizons to new opportunities
- I consider myself a hard work person that never stops and into he gets his goals done

Work Experience

Warehouse Worker

Christy Sports-Lakeside, CO

March 2025 to August 2025

At Christy sports I used to assemble disassemble furniture are used to also be a warehouse Technician

- the main thing in this job was time management. I had to had furniture ready, but I'm it had to be out.
- one main thing here was being flexible in your job position or time
- I also use a lot of communication skills, leadership skills for work, efficient

Wood Worker

Wood source inc-Thornton, CO

November 2024 to March 2025

At wood source inc some of my duties and priorities

- cut and measure wood to size
- occasionally drove the forklift and use heavy equipment
- I'd use chainsaws texture machines and saw cutters.

In that job one of many thing I learn what's leadership, teamwork, and time management

Roofing/landscaping

N/A-Colorado

August 2024 to March 2025

My keys are used to finish my job

- i learn time management because we're always in a rush and I have to be done in a certain time or day
- Work efficient was key in this job if one of us wasn't doing our job he would've never finish
- a hard work Was one of the things that we use the most
- One of my things that I use terrorist leadership I had to run my own crew. Make sure that job was done an efficient way and on time
- I handle heavy equipment, such as salt cutters drills

Laborer

Doulbe Tree by Hilton-Colorado

March 2018 to August 2023

Main priorities in this job were to clean pick up mass. I also worked in the laundry.

- one of the main things out there here was communication because most of the job was based on communicating with coworkers or guess

Cleaner

Ccs-Colorado

March 2020 to December 2022

This job I used to clean offices. We used to have our own places I used to work with the local crew members.

- here I learned little leadership and the fact that I have to run. I whole building with people.
