Professional Summary

To secure a position with a stable and profitable organization, where I can be a member of a team and utilize my business experience to the fullest.

Authorized to work in the US for any employer

Work Experience

Order Picker/Forklift Operator

Marley Engineered Products-Bennettsville, SC

October 2021 to Present

Role : Fulfill incoming orders, and maintain a fifteen to eighteen pick per hour count. I was chosen by my supervisor to pull LTL orders which are heavier and harder to pull than UPS orders. LTL orders are more difficult to pull at a steady pace where as UPS orders are easier to pull because of the light weight of the product.

Automated Logistics Specialist

U.S. army

January 2007 to January 2017

Role : Maintained inventory, participated in random audits. Issued supplies to fellow soldiers. I also kept logs, and did data entry.

Education
