ADDITIONAL INFORMATION

MANAGEMENT

- As a leadership I will help with feedback to associates, Daily announcements, Quality-Inspections, Assist supervisor with any concern.

COMMUNICATION

- I am able to work well with others, am a team player, and have great communication.

LEADERSHIP

- As a trainer, I would train my operators to safety, quality, and builds, making sure they follow the procedures by the books and guidelines most importantly knowing what they're doing. My responsibilities also requires me to keep all my associates up to date with training from changes of build or policies.
